

**Town of Wadena**  
**November 2019 Report #2**  
**Parks and Recreation**  
**Alyshia Neuman**

**Community Hall**

The staff have been working diligently to set up and take down several events as well as keeping the facility clean and tidy for day to day use.

We are setting the thermostat appropriately due to complaints brought forward.

**Pool**

The liner is leaking therefore we cannot keep water in it over winter. Staff have been instructed to pump out the rest of the water and remove pump for winter. We will reassess come spring.

**Campground and Sportsgrounds**

Complete for season.

**Recreation Centre**

The dead line still being monitored.

Snow fencing for game parking could not be implemented due to frozen ground. Blockades have been arisen with signage to show angle parking is to be used. After the first home game we had good feedback on this temporary set up for the parking lot.

Skate sharpening training will start November 25<sup>th</sup>.

**Fitness Centre**

Daily cleaning and maintaining machinery. Chicken wire over windows is still being worked on for protection from pickleball.

**Safety**

Weekly safety talks

**Outdoor Activities**

- Responding to service requests as needed
- Snow removal at town buildings
