OUR MISSION:

We improve health through excellence and innovation in service, education and research, building on the strengths of our people and partnerships.

OUR VISION:

Healthiest people, healthiest communities, exceptional service.

OUR VALUES:

- Respect
- Compassion
- Excellence
- Stewardship
- Collaboration

PHILOSOPHY OF CARE:

We strive to provide a comfortable atmosphere, excellent care, enjoyable activities, and good food. Forming meaningful relationships with our residents and providing resident centered care is very important to us.

Pleasant View Care Home is located in the town of Wadena and was built in 1989. It is home for **46 residents**. 45 are long term care beds and 1 is for Respite.

PERSONAL SERVICES: Local Hairdressers visit the home upon request. Onsite laundry services are provided, as well as tasty, home-cooked meals. Physician visits occur on a weekly basis, and Physiotherapy is available on a referral basis.

ACTIVITIES/PROGRAMS OFFERED: We have an active activity program that provides a variety of activities to our residents including daily exercises, story and devotion, crafts, bingo, baking, pub night, bus trips, etc. We also have a large volunteer community that provide us with services such as entertainment, weekly worship services, and special teas.
